EXPERIENCE

IT PROJECT MANAGER

at AmRest | 2024 - present

I am currently working full time as IT PM managing projects in IT Solution Delivery. My projects are mostly focused on software for Finances and development of SAP ERP solutions.

REACT DEVELOPER

freelance | 2022 - present

During pandemic I started to learn how to code and eventually worked on multiple projects as a React developer. Here is a link to [My WebDev Portfolio](#).

REVENUE MANAGER

at Sun Seasons 24 | 2020 - 2024

I have introduced new technological standards and managed several long-term projects with a small team. I'm proud to have been a part of a team that stayed afloat during its market's crash.

PROJECT MANAGER

at Webedia/Gethero | 2018 - 2020

I managed multiple marketing projects with international clients such as Microsoft, Zott, EA, Dr. Oetker. I helped a then small company become a top player in Polish market.
