Experience

Mar 2024 - Dec 2024 Remote EU

IT Project Manager
AmRest

I successfully managed multiple IT projects in Finance, working closely with SAP team to optimize and streamline accounting workflows.

May 2023 - present Remote

Frontend Developer
Freelance

During the pandemic I learned coding and then successfully delivered multiple commercial projects as a Frontend Developer. My current stack is Next.js with Tailwind + Framer Motion, but I am flexible and ready to grow and learn in any framework. I'm dedicated to crafting visually appealing and user-friendly interfaces.

Jul 2020 - Mar 2024 Wroclaw

Head of Marketing
Sun Seasons 24

I was responsible for marketing and revenue management. I have introduced new technological standards and managed several long-term projects with a small team.

Feb 2018 - Jul 2020 Wroclaw

Project Manager
GetHero/Webedia Group

I played a key role in transforming a growing company into a top player in the Polish market, significantly contributing to both client acquisition and retention.

My Projects

Nieziemsko

I developed a landing page from scratch for an organization using Next.js. The project demanded swift and efficient work, and I am pleased that I was able to deliver the final product in a short timeframe.
